Thank you for giving us the opportunity to introduce you to our Magnet Fundraiser Program. Our fundraiser program offers your organization the opportunity to raise funds without any risk or investment of funds. We have prepared a package with the forms and displays you will need to get started with your fundraiser. We will need to have all of your information in our system before we can fill any orders. When you do contact us with your organizations information we will make a sample of one of the magnets your group will be selling. To make them more personalized, we wait until you contact us with this information so that we can use your mascot or logo. You will need to make your own copies of the packet for your group to use to take orders.

Our fundraiser Magnets are personalized with a team or group name and player's name. We have many different logos to choose from, although custom logos will **not** be produced for the fundraiser program. These magnets can be used on your car for out of town trips, refrigerator magnets, locker magnets, to show your support of your player or team.

The 6" x 8" magnets that you will sell generally sell for \$14.99 plus tax retail in our store. **Your cost as a fundraiser will be \$8.00 per magnet.** When ordering personalized magnets your group will have to make sure of the color of the vinyl to be used on the magnet, if not stated, the color will automatically be black. Orders of less than 10 will have a handling charge of \$1.00 per magnet. We will also make available non- personalized magnets for your group to sell at a lesser cost to you. We can ONLY offer this lesser price if you order 10 or more magnets with the exact same wording and mascot for \$6.00 each if your group would like to offer in hand sales.

Your group should collect payment at the time of the sale, and all **checks need to be made payable to your organization.** Your group will want to set a date for this fundraiser to begin and end, you may however want to send your orders to us during this time to let your customers see how nice the signs are, it is really a good way for your group to advertise. Your orders will be ready for pickup within 14 business days. A copy of the order form that you send to us will be returned with your orders. Any error with your orders must be brought to our attention within seven days of receipt; else your order is complete. Shipping and handling is available for the magnet program of \$8.95 per shipment.

When your group decides to use our Magnet fundraiser program, you will be able to avoid paying tax by returning a completed Texas Sales and Use Tax Exemption Certification Form. Your payments must be an organization/school check or cash.

We have been fortunate to serve many organizations, and we are excited to have the opportunity to work with your organization. We value you as a customer and appreciate your comments and suggestions. If you have any questions, please contact Raniece or Sharon.
Sincerely,
Sharon Adams,
